DIRECTOR'S Message

MITESH RATHI
M.Tech. MANIT
Director

विद्यया प्राप्यते तेजः

We are one of the largest and most successful training institutions in M.P. for over a decade. We have fueled the aspirations of more than 25,000 students, with the vision to cultivate IITians by imparting quality education in a well-planned way. It is an institute for bright, young minds who are seeking a future in engineering, particularly from the IITs. A causeway for the IIT-JEE, we simultaneously prepare our students for different reputed engineering entrance exams.

In our students, we inculcate the right attitude, approach, and analytical thinking process by following a step-by-step approach, thus achieving a high degree of clarity. While focusing our sole attention on individuals & their future success, we strive to cultivate IIT achievers out of average students. We do not pretend to have achieved perfection, but we do have a system and it works.

We have produced results because of our system and hunger for continuous improvement. The difference between us and other institutes is our "Technological, skilled & result-oriented education imparting system". That is why students perceive us as "Trend-setters".

When a student joins us, we just don't teach him, but we adopt him to cultivate a winner out of him. The joy of producing maximum results from Bhopal in these couple of years and witnessing the satisfaction on a child's face is the best reward any institute can bag.

Hope to witness plenty of such rewards & wishing you the best for future endeavours!

अनुशासित दुबे कहते हैं कि मैं तो पत्नी का प्रीतिपत्र हूँ। जब मन किया तब पहला था कि मैं कर के अपने-पदों के किताबों के ऊपर की चेक गवाह। और फिर तब जाते हैं, पता ही नहीं लगता था। ऐसा लगाव था जैसे किताबों से ही दोस्ती कर ली हो। इस दौरान दुबेका अपने केरिअर क्लियर रही। कुछ काम किया मैंने मस्टेरी को और पराई के समान चढ़ाई की थी। अनुशासित दुबे ने 239 अंक प्राप्त किए हैं।
